Membership and Licensing Terms

Effective date: July 1, 2026

These Membership and Licensing Terms govern access to the “Materials:” The EVOLVE-AI Framework (EVOLVE-AI) by Neal Carboneau, The Invisible Architecture by Neal Carboneau, The EVOLVE-AI Guidance Document, The Invisible Architecture Guidance Document, knowledge base files, related worksheets, prompts, examples, Custom GPT access, downloads, webpages, emails, training materials, and other membership materials provided and licensed by Neal Carboneau Consulting, LLC (the "Company," "we," "us," or "our").

By purchasing a membership and license(s) or using the Materials, the “Licensee” (individual, company and licensed users) agree to these Membership and Licensing Terms and the Privacy Policy. The Licensee represents their authorization to accept these terms for that organization and its authorized licensed users.

1. What The EVOLVE-AI Framework and The Invisible Architecture by Neal Carboneau (EVOLVE-AI and The Invisible Architecture) are:

EVOLVE-AI and The Invisible Architecture are decision support frameworks for responsible AI adoption and organizational change management. It is intended to help professionals and organizations evaluate AI tasks, improve prompts, structure processes, verify outputs, document reasoning, and preserve final human judgment.

EVOLVE-AI and The Invisible Architecture do not replace professional responsibility, responsible charge, legal compliance, sealing decisions, client requirements, organizational policies, or final professional judgment.

AI assists. Professionals decide.

2. Membership Access and Licensing

A membership and license may include some or all of the following, depending on the tier:

- The EVOLVE-AI Guidance Document in Microsoft Word and PDF format.
- The Invisible Architecture Guidance Document in Microsoft Word and PDF format.
- The EVOLVE-AI Custom GPT Knowledge Base Files
- Prompts, examples, worksheets, checklists, and related implementation materials.
- Access to the EVOLVE-AI Custom GPT through ChatGPT.
- Access to the Invisible Architecture Custom GPT through ChatGPT.
- Welcome page access, email delivery, updates, or other materials made available to members: Cancellable at any time.
- For all membership and licensing tiers: Implementation support is available; the costs of which can be negotiated based on services rendered.

The Custom GPT runs inside ChatGPT. A ChatGPT account or subscription is the individual or company's responsibility and cost, separate from any EVOLVE-AI or Invisible Architecture membership, license or monthly access fee.

3. License and Use

The Materials are licensed, not sold. During an active membership, we grant you a limited, revocable, non-exclusive, non-transferable license to access and use The Materials for internal professional use.

For an individual membership, the license is for the purchasing individual. For a company membership, the license is for internal use by the purchasing organization and its authorized paid licensed users. For on site memberships, the license is for internal use by the purchasing organization and its authorized paid licensed users. All license terms may be expanded or modified only by a separate written agreement signed by and between the Company and the Licensee.

The Licensee and authorized licensed users may copy, paste, adapt, and use prompts, examples, processes, knowledge base files and materials, The Materials, in your internal professional work, subject to our continued ownership of The Materials and their underlying intellectual property and the paid tier of the Licensee.

4. Use Restrictions

Except with our prior written consent, you may not:

- Resell, publish, post, sublicense, distribute, or share The Materials outside the Licensee: Licensed individual, organization or users.
- Upload The Materials to a public website, public repository, shared marketplace, public GPT training dataset, or competing AI product. Use of The Materials within the Licensee's company GPT is an allowed use within the license.

5. Seats and Authorized Users

One seat equals one person (user) authorized to use The EVOLVE-AI Custom GPT or The Invisible Architecture Custom GPT and The Materials. The Licensee is responsible for selecting and maintaining the correct seat count. We may rely on the seat count selected at checkout or otherwise reported by the purchasing organization.

Each authorized licensed user must comply with these Membership and Licensing Terms. The purchasing individual or organization is responsible for use by its authorized licensed users and for preventing unauthorized access.

6. Billing, Renewal, and Cancellation

Available membership tiers and prices are shown on the purchase page and at checkout. Unless a separate written agreement states otherwise, memberships may include a one time membership fee plus monthly access billed at \$20 per licensed user per month.

For example, an individual membership may charge the one time, membership fee plus the first month of access at checkout. Company memberships may charge the one time membership fee plus \$20 times the selected licensed user seat count for the first month of access at checkout. After checkout, monthly access renews automatically at \$20 per licensed user per month until canceled through the Stripe Customer Portal.

The EVOLVE-AI Custom GPT runs inside ChatGPT, so any ChatGPT account or subscription is separate from and in addition to EVOLVE-AI and Invisible Architecture fees.

You may cancel monthly access at any time through the customer portal link provided on your receipt, welcome email, NealCarboneau.com or by contacting us at Neal@NealCarboneau.com. Subscription purchases are in full month increments and non-refundable. Cancellation stops future monthly access charges but does not refund charges already paid unless we agree otherwise or applicable law requires otherwise.

If a pricing, billing, or checkout term shown at checkout conflicts with a general description on the website, the specific checkout disclosure controls for that purchase, subject to applicable law.

7. Refunds

Unless a purchase page, invoice, or separate written agreement states a different refund policy, one time membership fees are not refundable after digital access is delivered. Monthly access fees are billed in advance and are not prorated after cancellation unless we agree otherwise or applicable law requires otherwise.

If you believe a charge was made in error, contact us promptly at Neal@NealCarboneau.com so we can review it.
